

## PRODUCT DESCRIPTION

This light is a slim, modern surface-mounted piece with a long rectangular shape. It has a smooth various body color and gives off a soft warm glow thanks to its SMD LED setup and 3000K warm color. The shape feels clean and simple, making it fit well in hallways, living areas, porches or any space that needs a gentle warm wash of light.

## PRODUCT SPECIFICATION

### LIGHTING FEATURES

Type of LED:	SMD
Average LED Life:	-
Color Temperature:	3000K
CRI:	<80+
Lumen Output at Source:	-
Total Delivered Lumens:	300 Lm

### OPTICAL FEATURES

Beam Angle:	87° x 60°
Accessory:	-

### ELECTRICAL FEATURES

Light Source:	28x0.2W
Consumption:	7W
Voltage:	DC 24V
Control Protocol:	ON - OFF

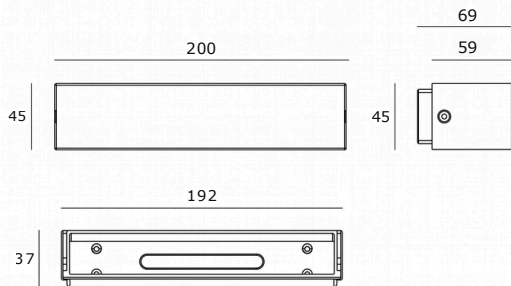

### MECHANICAL FEATURES

Dimensions:	L200 x H45 X W69
Housing Material:	Dia Cast Aluminum or Powder Painting
Finish:	Sanded Dark Grey / Sanded Black
Mounting Type:	Surface Mounted

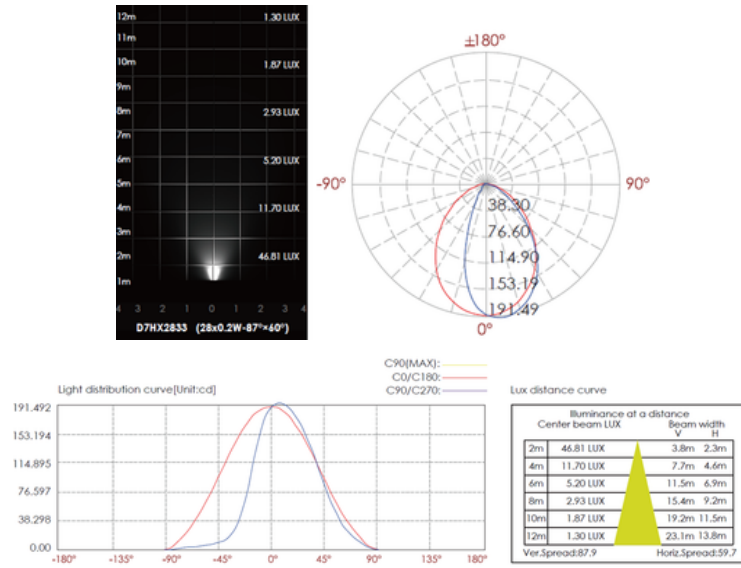

### GENERAL FEATURES

Ingress Protection:	IP65
Operating Temp:	From -20°C to 40°C
Impact Resistance:	IK03
